Re: Approval of the Paging Agreement Negotiated by BellSouth  
Telecommunications, Inc. ("BellSouth") and Carolina Electronics Service  
Co., Inc. pursuant to Sections 251, 252 and 271 of the  
Telecommunications Act of 1996  
Docket No. 98-207-C

Dear Mr. Lacoste:

Pursuant to Section 252(e) of the Telecommunications Act of 1996, BellSouth and Carolina Electronics Service Co., Inc. are submitting to the South Carolina Public Service Commission their negotiated agreement for the interconnection of their networks. The agreement was negotiated pursuant to sections 251, 252 and 271 of the Act.

Pursuant to Section 252(e) of the Act, the Commission is charged with approving or rejecting the negotiated agreement between BellSouth and Carolina Electronics Service Co., Inc. within 90 days of its submission. The Commission may only reject such an agreement if it finds that the agreement or any portion of the agreement discriminates against a telecommunications carrier not a party to the agreement or the implementation of the agreement or any portion of the agreement is not consistent with the public interest, convenience and necessity. Both parties represent that neither of these reasons exist as to the agreement they have negotiated and that the Commission should approve their agreement.

Very truly yours,

s/C. Lesley Addis
